## Grayling Given Award Tuesday

### Trio Attend Ceremony

#### Governor Notes Grayling's Effort

Mayor J. F. Cook  
305 Ottawa Street  
Grayling, Michigan  
Dear Mayor Cook:

A recent letter from the National Clean Up, Paint Up, Fix Up Bureau called my attention to the fact that your city entered the 1965 National Cleanest Town Achievement Award Contest.

I want to commend you and your city for your interest in civic beautification. I wish you success in the competition and hope that you will continue to participate in state and national campaigns to keep Michigan beautiful.

Sincerely,  
George Romney

## Plan Winter Deer Yard Inspection

On Saturday, February 26, guided field tours will be held starting in Grayling and also in Manistee at the high schools in both cities to give the public a look into the winter home of deer of the area. These two surveys are but part of several planned throughout northern Michigan.

The "show me" trips, designed to provide people with an on-the-spot understanding of what the cold weather seasons means to deer will begin at 10 a. m. and last about four hours.

The deer yard tours will be laid out to show people what the animals do and don't eat during the winter. Department field men will also point out signs of over-browsing by white-tails and explain the impact of this problem on deer management.

In addition, this month's field trips will take in areas where the department and commercial loggers have carried out timber cuttings to serve up supplemental winter food rations for deer.

No special attempt will be made during the field trips to count deer and look for dead animals.

Items considered as "musts" for deer yard goers include field glasses, waterproof footwear, and warm but light clothing. Transportation arrangements will be left up to each individual or touring party.

For traveling into yarding areas, snowmobiles are recommended but not required. No reservations are needed to join any of the tours; everyone has a standing invitation to take part.

Besides this month's public field trips, the department will take state legislators on a guided deer yard tour in the Higgins Lake area on March 12th.

Three Grayling officials were in Washington, D. C. the first of this week to accept the National Distinguished Achievement Award for Grayling in recognition of the city's outstanding cleanup, paint-up, fix-up program.

City Manager Harold S. Cliff, Grayling Housing Director Lora Gould and Chief of Police Harold Hatfield, Jr., left Grayling early Monday morning and drove to Detroit where they boarded a plane for Washington.

A local delegation of those responsible for this impressive clean up program attended an elaborate Awards Ceremony in Washington on February 15 at which Mrs. Lyndon B. Johnson was present. Immediately following the Presentation Ceremony a luncheon honoring the winning cities, with Secretary of the Interior Stewart L. Udall as scheduled speaker was held.

The Achievement Award was earned because of the city's clean up efforts which were highlighted by the planting of flowers along the entire length of the highway through Grayling. In addition the judges noted the clean up of junked cars, and the survey of the town to discover needs and eyecores which then became projects for the workers during the campaign.

"The citizens of this community should be commended for their voluntary accomplishments in the field of civic improvement and beautification as a result of the clean up program," said R. H. Haskendahl, Director of the Na-

## What Makes Up An Area's Master Plan

The various elements that go to make up a comprehensive plan are discussed in greater detail in this week's article.

Some risk is involved in presenting the material in this manner. The danger is that the discussion might lead some to the conclusion that a comprehensive plan is merely the end result of a mechanical process—the step by step accomplishment of isolated segments of a plan. This is not the intent of the discussion. There is nothing magical about a comprehensive master plan and its usefulness can only be measured in terms of the action that it stimulates.

Any program that loses sight of overall objectives; that is not tailored to specific community needs and aspirations; or fails to recognize inter-relationships of the various elements, will not fulfill its purpose.

Bearing in mind that actions of public and private groups over a period of years actually determine the course of a community's development.

## Mrs. George Romney To Speak At Grayling

MRS. GEORGE ROMNEY

Mrs. George Romney, wife of Michigan's Governor, will be the featured speaker at a Lincoln's Day Dinner being sponsored in Grayling by the Crawford County Republicans.

The dinner will be held at the Grayling Elementary School starting at 6:30 p. m. on Wednesday evening, February 23rd. Others expected to be present for the affair are Nelson Tisdale of Midland, State Representative of the 16th District; Guy VanderJagt of Cadillac, State Senator of the 36th District; Raymond King of West Branch, 10th District Chairman and Dinty Moore of Traverse City of the Republican State Central Committee.

Vice-Chairman William McLaughlin of the Republican State Central Committee from the Detroit area and Dinty Moore, Traverse City, will also be present.

## Four More File For C. C. Board

The following men have filed for trustee posts on the proposed Community College Board it has been announced by Basil Godbold, superintendent of the COOR Intermediate School District. They are as follows:

Ray Winters, a resident of West Branch for the past 55 years, is married and has seven children. He is retired but still owns Ray's Party Store at West Branch. He has been active in the West Branch Lions Club and vice-president of the State Justice of the Peace organization. Mr. Winters has been interested in a Community College for this area for a number of years. He will run for a two year term.

William E. Meyer of Mio, is a widower who has two sons in the Air Force. He graduated from Northwestern High School in Detroit and spent many years as plant engineer for the Parker Wolverine Mfg. Co. in Detroit. Five years ago he moved to Mio. He is active in community affairs and presently is a member of the Masonic Lodge and the Northwood Mio C.B.'ers. Mr. Meyer will run for the two year term.

Casper Fradl moved to St. Helen 17 years ago from Detroit. He is married and has a son, a senior at Central Michigan University. Mr. Fradl has taken extension courses from the University of Michigan in Detroit. This work was mainly in the field of psychology and music. His musical training has been with the violin under men of the Detroit Symphony Orchestra. Presently he teaches violin and related instruments. Mr. Fradl has been a member of the St. Helen Board of Education. He has operated his own dry-cleaning establishment in Roscommon for the past 13 years. He will run for a six year term.

Max Kelsey of Roscommon graduated from the Flushing High School at Flushing. He is a graduate of the Detroit College of Chiropractic. Upon graduation he taught there for a year. He moved to Roscommon 22 years ago and presently operates the Kelsey Insurance Agency there. Mr. Kelsey has been very active in community affairs. He is a past Village President, a Justice of the Peace and a county school board member. Mr. Kelsey is married and has two young children. He will run for a two year term.

## GHS Original Oratory Contest Scheduled

On Thursday evening, February 24th, the annual Grayling High School Original Oratory Contest will be held. It will be conducted at the Grayling Elementary School auditorium at 7:30 p. m. Because of the enthusiastic response shown last year, the event has again been opened to the general public. Parents and friends are invited to attend the contest.

Each student in the contest was required to write an original oration of approximately 1200 words on a subject of his choice. The speeches were memorized and delivered in the English and speech classes. Members of the classes voted to select those who should represent them in the local contest.

The participants and their orations are as follows: Janice Beery, "When Silence Is a Crime"; Anne Marie Church, "The Black Plague of the Twentieth Century"; Nancy Dykema, "America the Beautiful"; Lynn Elsey, "My Country, Right or Wrong"; Gayle Feldhauser, "The Time Is Now"; Terri Frinkle, "Are We Traitors?"; Mary Hirvela, "A Long Journey"; Libby Kipp, "The Crisis in Crime"; Nancy Knibbs, "Where Is Your Spirit?"; Dane Madsen, "Population and Poverty—Cut With a Swallow"; Carol Miller, "Unlock the Door to Education"; Dave Nielson, "The Cure of the Incurable"; George Stancil, "From Servant to Master"; Elva Ward, "We Just Want to be Free"; Karen Wedge, "Forgotten Word"; and Vicki Wells, "We Are All Animals".

First and second place winners will represent G. H. S. at the District Forensic Contest to be held at Lake City next month.

Two Camp Walkaways Captured At Roscommon

Two walkaways from Camp Le-Victoire were apprehended in Roscommon Friday evening after leaving the camp earlier in the day. Harry Lovelace, 17, and Terry Oliver, 17, were taken into custody by officers of the Roscommon County Sheriff's Department after an alert was put out of their leaving.

Both boys were returned to Camp Le-Victoire that same evening.

## LEGIONNAIRES NOTICE

The American Legion Club will put on a Saturday evening dinner and Sunday breakfast for 250 Explorer Scouts from Battle Creek. The Scouts will have the facilities of the hall for a dance Saturday night.

## Dolly Luft Wins Queen Title

1966 MISS-MICHIGAN WINTER SPORTS — Dolly O. Luft, Miss Traverse City, in the foreground, was crowned as the new Miss Michigan Winter Sports Queen at the 41st Annual Grayling Winter Sports Carnival. Right is Marcia Kay Forman, Miss Houghton Lake, who was named first runnerup and left is Patricia Robinson, Miss Boyne City, who was named second runnerup. In the rear is Judith K. Gusler, Miss Mio, who won the Miss Congeniality title which is voted on by the contestants themselves.

Wayne Clark Photo

The Forty-first Grayling Winter Sports Carnival is over but the memories will linger on. The weather was more conducive to canoeing than skiing both Saturday and Sunday being lovely sunny days more reminiscent of late April than mid-February.

The weekend activities involving snow had to be cancelled. However, the Queen's Pageant, the first local Miss Michigan and ultimately Miss America franchised contest staged Saturday evening in the Grayling High School Gym, was a tremendous success. The approximately eight hundred people who were interested enough to attend were treated to a very fine program. The stage background had been especially decorated for the occasion featuring a geometric design which focussed attention on the queen's throne and crown recessed in the center.

Miss Dolly Luft, Miss Traverse City, a stately, 17 year old, blue eyed brunette, won the honor of being named Miss Michigan Winter Sports Queen 1966, competing against nine other lovely and talented young ladies.

Dolly is a 1965 graduate of Traverse City high school. The daughter of Mr. and Mrs. Theron Luft, she was chosen Miss Michigan Winter Queen at the Petskey Carnival held the previous weekend. It is thought that this is the first time in the history of the two contests that the same contestant has won both titles.

Dolly enjoys all kinds of summer and winter sports, took part in the junior and senior class plays also has also served as a Red Cross candy striper in her local hospital. She has had training in dramatics. Her rendition for the talent competition at the pageant was a pantomime of a Barbara Streisand recording of "Second Hand Rose". She plans to attend Davenport College in the fall to take a legal secretary course.

Marcia Kay Forman, Miss Houghton Lake, also a blue eyed brunette, was chosen first runner-up. She is very active in high school activities where she is a senior. A member of the National Honor Society, she has been accepted at the University of Michigan where she plans to pursue a course in psychology. Marcia has had dancing instructions and for her part in the talent program she presented an Hawaiian Interpretive dance. Her parents are Mr. and Mrs. Harold Forman.

The third semi-finalist was Miss Boyne City, Patsy Lee Robinson, the daughter of Mr. and Mrs. Edward Robinson. She was most active in high school activities, enjoys the homemaking arts and all out door sports. She has a background of dancing and musical training and for her talent presentation sang "The Men in My Little Girls' Life" providing her own piano accompaniment. Blond with blue eyes, she is a freshman at Central Michigan University.

Voted by the contending queens as "Miss Congeniality" was a senior from Fairview High School, Judith K. Gusler, Miss Mio, the daughter of Mr. and Mrs. Melvin Gusler. She has taken part in many high school activities and enjoys sewing and sports. She is a brown eyed brunette. Her recitation "Little Orphan Annie" was well received.

The winner of the coveted crown received it from Miss Lori Olson, Miss Michigan Winter Sports of 1965. She and the runner-up were presented with bouquets of roses by the pageant director, Mrs. Earl Longworth, and ribbons inscribed with their new titles.

Miss Luft was also awarded a trophy bow by Fred Bear of the Bear Archery Company.

## STATE APPROVES SCHOOL MERGER

Approval for the proposed consolidation (merger) of the Grayling and Frederic School Districts as recommended by the local K-12 study committee was approved by the State Commission on School Reorganization on February 11, 1966.

Plans for an election to decide the issue are in progress.

## Plan World Day Of Prayer, Feb. 25

World Day of Prayer services will be held at the Michigan Memorial Methodist Church at 2:00 p. m., Friday, Feb. 25th. All churches in the area are welcome and several are cooperating in presenting the program of the afternoon.

The theme for the day is "You Are My Witness" using Isaiah 43: 10 as the text. The program was prepared by the women of the churches of Scotland. The World Day of Prayer is observed each year on the first Friday in Lent and is sponsored by the United Church Women of the National Council of Churches. It is truly world-wide in character and the basic program is used in services over the entire world in many countries and languages. A different country prepares the service of worship each year. This provides an extraordinary opportunity for Christian fellowship at a deep level and the experience of Christian unity in prayer in each community and around the world.

An offering is received and all goes to interdenominational work around the world. Projects in the U. S. include the Migrant Ministry and work with Indian Americans and International Students. Projects overseas include support of 12 Christian Colleges, Christian Literature, and Lay Training Centers.

## Kiwanis Club Notes

By Wes LaGrow

The weekly meeting of the Kiwanis Club of Grayling was held Monday evening at the Chief Shoppenagons Motor Hotel. Les Powers was in charge of the program and introduced Carol Wert who showed a film entitled, "Frozen Forest". The film made by Carroll was highlighted with shots of the eagles nest at Hartwick Pines and shots along the AuSable River.

It was announced that the annual Kiwanis bowling tournament would be held at Cadillac at Caberfao Lakes in late April and early May. Teams are being formed now.

## Housing Commission Progress Report

On Feb. 22, 23 and 24, two members of the local Housing Commission, Leon Rochette and Arnie Mauren, and the Executive Director Lora-Gould will be in Chicago for our Schematic review. Our local commission, five members of the Architectural firm of Harley, Ellington, Cowin, Stirtan, Inc., of Detroit, and all different branches of the Public Housing Commission will go over every phase of our project to date, as to land, building placements, type of buildings, feasibility of the project, rents to be charged, cost of utilities, size of units, and a conference on management and bookkeeping. When we receive our approval on this phase, we go into the design phase which is the actual design of the units such as type of walls, use of wood, type of appliances, etc.

## Grayling Band Students Win High Honors

Grayling Senior Band students won high honors at the Solo and Ensemble contest in Elk Rapids on February 5th. Bob Ashman won a first division rating on the cornet. His solo, "Morceau de Concert", was a difficult solo with many variations. Kay Jansen accompanied him on the piano. The cornet trio consisting of Kay Jansen, Linda Christian and Bob Ashman won a first division rating by playing "Bugler's Holiday". Judy Smith accompanied them. Richard Holmes and Richard Skolasky played bass horn solos, and received second division ratings for their first solos at the contest. Judy Smith accompanied Richard Skolasky and Linda Christian, Richard Holmes.

First division winners are entitled to go to the state finals to be held at Midland, March 19. Bob Ashman, Kay Jansen and Linda Christian will compete again on that date. We wish them all the luck in the world.

## CUB SCOUTS PLAN BANQUET TONITE

The annual Blue and Gold Banquet for Cub Scouts will be held this Thursday, Feb. 17th, in the Multipurpose Room at the Elementary School.

The banquet will be a potluck dinner, scheduled at 6:15 p. m. All attending are asked to bring their own table service and a dish to pass. Everyone is cordially invited.

## Plan Seventh Annual Saskatchewan Trip

The seventh annual Saskatchewan Fishing Trip, Grayling Charter, is being planned to leave Grayling on Sept. 8th and return on Sept. 18th.

There are nine seats left for this trip and they will be taken on a first come, first served basis. The fantastic fishing, for arctic grayling, king-sized lake trout and northern pike, make this one of the finest fishing safarities a man could ever expect to find. The scenery in the Arctic in the fall is spectacular.

The flight goes directly from Grayling via DC-3 over the muskeg, tundra area or northern Canada and fishing is done from a first class outpost camp.

This trip must be filled or almost filled by March 1st or it will be dropped. There are actually two flights, No. 1 is already completely sold out and No. 2 has but the nine vacancies. For full particulars, contact Clarence Roberts, 700 Maple St., Grayling or Phone 348-2511.

## RYAN - DUPEE WED IN ROYAL OAK

Miss Kathleen Susan Ryan, daughter of Mrs. George Ryan of Clawson, and one-time Grayling resident, was married to Mr. Virgil G. Dupee, son of Mr. and Mrs. Virgil G. Dupee of East Detroit, in five o'clock candlelight services at the Woodlawn First Church of God, Royal Oak on January 22, 1966. The Rev. Herbert Streeter performed the service.

The bride was given in marriage

by her brother, William Ryan, and a sister, Mrs. Vallie Baumgarten of East Detroit was matron of honor. Bridesmaids were Miss Janice Ryan of Elyria, Ohio, Mrs. Shirley Baumgarten, Warren, Rebecca Harbert, Elyria, Kelly Baumgarten of Warren and Catherine Ryan of Elyria, Ohio were flowergirls. Virgil and Marvin Baumgarten of East Detroit, were ringbearers.

Completing the wedding party were Robert Webber of Warren, best man, Vallie Baumgarten, East Detroit, Shirley Baumgarten and Richard Darga, Warren, and Dale Bauman, Richmond, Michigan.

A reception was held at Carpenters Hall, East Detroit for five hundred guests.

The newlyweds are at home at 1154 Richmond Road, St. Clair, Michigan.

Co-Chairman for the dinner are Harold Golinick and Carl Minor. Jack Trudgeon is chairman of the entertainment committee. The dinner is in keeping with the ecumenical shown by the Men's Club of the Methodist Church when they were host to the men from St. Mary's about a year ago. Paul Thomson is President of the St. Mary's Men's Club and Dewart Hall is President of the Methodist Men's Club.

## TO SCREEN MOVIE ON CLEAN WATERS

A public showing of the Michigan Health Department film entitled "Clean Waters" will be made as a public service project by the R. L. D. S. Church Women's Department. The film, in color and with sound, will be screened at the R. L. D. S. church at Smith and Plum Streets at 8 p. m. on Monday, February 28th. As the title suggests, the film is on water pollution. After the screening, information will be available as to acceptable kinds of cleaning agents, such as detergents, etc. which break down completely rather than remaining a water and soil pollutant.

The public is cordially invited to see this film, and there is no charge for admission.

## Lake Summer Resident Passes Away at Flint

Kenneth A. Schrock, 51, of Clio died Saturday, Feb. 5, 1966 at McLaren General Hospital in Flint. Military funeral services were held at 3:30 p. m. Tuesday at the Reigel Funeral Home with the Rev. Theo I. Bush officiating. Mr. Schrock was a major in the National Guard as an intelligence officer. He served from December 1946 until his retirement in 1963. He also served in Japan in World War II with the 81st Infantry Division. Since 1941 he had been employed as a GMAC sales promotion manager. He is survived by his wife, Peg of Clio, a son, Second Lieut. Don Schrock of Fort Lewis, Washington; his mother, Mrs. Bertha Schrock of Flint, and two sisters, Mrs. Kenneth B. Johnson and Mrs. Lloyd Domine of Flint. The Schrocks have a summer home on Lake Margrethe near Eagle Point.

## Grayling American Legion Auxiliary Unit 106

The Auxiliary met February 8th with first vice-president Lois King presiding. Zelpha Myers and Margaret Griffith gave a report on the Cooley High dinner. Jerry Muth reported on the 10th District meeting. We unanimously voted Beryl Moore by letter so she can run for 10th District president next year.

Supt. of Schools Joseph Stripe and Student Counselor Robert Bovee showed slides about the community college and answered questions.

Thanks go to the junior girls who helped on the Cooley High dinner, also to Margaret Muth, Vic Rice, Jean Rice, Don Griffith for their generous help that day.

Because of bad weather we decided to omit potluck suppers until the May meeting.

Our next meeting will be Feb. 22 a social night. See you all then.

## Open Co-Op Extension Office at Roscommon

The Cooperative Extension Service opened an office February 1 in the County Building in Roscommon. The Board of Supervisors from Crawford County and Roscommon County allocated the funds for the operation of this office which will serve both counties.

Personnel with the Extension Service in this area includes: Bill Bosserman, Extension Agricultural Agent, stationed at Lake City; Dave Olsen, Extension Natural Resource Agent, stationed at Mio, and Juanita C. Van Vailin, in Roscommon and Alice Kelsey, Secretary, in Roscommon. At the present time the office will be opened every day in the afternoon from 1:00 to 5:00 o'clock.

For 50 years the Cooperative Extension Service has been bringing information to people from Michigan State U. and from the U. S. Department of Agriculture. However, this is the first office to be established in this area to make this information more readily available locally.

## MOOSE LODGE ACTIVITIES

Saturday evening, we had a pancake supper at the lodge. Later that evening there was a Valentine Dance with music by the Northerners, a King and Queen being selected.

Sunday the lodge was very well represented, and much support given to members of the ritual staff at the West Branch lodge, where the ritual staff enrolled six new members into the lodge there. The team did very well despite a large handicap. One man hadn't worked the ritual floor in about two years, another man had been on the floor only once before Sunday. Most of the others hadn't been on the floor in several months. Despite all this, everyone did a good job thru determination, co-operation, and support.

This Friday is regular meeting night again. The time has come for a nominating committee to be picked again. This must be done at this meeting, according to our laws. Another year has almost past already, and election time is drawing very close. Have you thought about who you would like to run for an office? Just because a member is a good friend doesn't always mean he's a good man to run for an office. Look for his capabilities, or what they might be. A lot can depend upon your board of officers, whether our lodge is a success or a failure for the year. Who are the men who are willing and capable of leading our lodge to a successful year? Only the members as a whole have the final say, so let's make our decision as wise as we possibly can.

Vets Dog labels, are starting to flow in, in fine shape already. Jim Stephan was the first to turn some in to the club. Bill Fitzgerald was second. The first batch of labels will be in the mail this week. A batch of one hundred labels are mailed at a time. All Vets dog or cat food labels, may be turned into the club, or left at the Grayling Bay station on old 27. These labels are sent back in and redeemed, to

support the blind in getting a Seeing eye dog. We would appreciate everyone's support in this worth while project both members, and non-members. The lodge may also be presenting a dog to the Seeing eye school. More details on this, as soon as an answer is received from the school, as to qualifications, etc.

## Hospital Auxiliary News

The ladies of the Auxiliary met in the Nurses Quarters Thursday, the 3rd with fifteen members and two guests present. Towels were hemmed and office forms counted. Mrs. Jack Wainwright presided at the business meeting. Mrs. Barney Engel consented to be Flower Chairman. Mrs. Carl E. Johnson is continuing in the post of Volunteer Work Chairman, so if any member should have the time she may go to the hospital on any day this week and hem towels. Ask for Margaret Jensen and she will supply work.

Mrs. Harold Lee and Mrs. Leonard Jensen were the lunch committee and they had a Valentine motif for the table.

## SHOWER HELD FOR MRS. DEREK McEVERS AND BABY

Mrs. Jack Cook and Mrs. Robert Strong were cohostesses at a baby shower for Mrs. Derek McEvers Thursday afternoon at three o'clock, at Chief Shoppenagons Motor Hotel. Dessert and coffee were served. The baby motif was carried out in a floral arrangement where the honored guest and members of her family were seated. There were miniature colonial nosegays at the rest of the tables. Twenty-four guests were present. Miss Marcia Sorenson assisted her sister in opening the gifts for baby Melissa.

\*Manufacturer's suggested retail price for Special V-6, 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge.

Would you believe your car's vehicle identification number might be worth \$2,332.00 in cash to you? (This odd figure is also the price of a Buick Special\*. Pleasant surprise, isn't it?)

HERE'S HOW IT WORKS: Check that car registration of yours. If the first symbols of your vehicle identification number on it match up with one of those listed at the right, you might have won yourself \$2,332 cash. No slogan to invent, no puzzle to solve. To find out for sure if you won, just hop down to your nearest Buick dealer's. He's got a list of complete winning numbers posted. (No, you don't have to own a Buick to have a winning number.) ## Woodlot Management

By David D. Olson, County Natural Resource Agent

Many local owners of forest land are not doing a good job of management according to Dave Olson, county Natural Resource Agent. All owners of forest land do not accept the responsibility of practicing good management, the aim of multiple use of our forests can not be accomplished. (1) A forest land is exactly like any other crop that must be cared for if you expect the greatest harvest. The harvest of the forest will be in the form of wood, game, recreation, natural beauty, fish and clear water. (2) Since over 68% of the forest land in Michigan is privately owned, the public land management agencies can not carry all the load on the 32% of the forest under their management.

Increasing demands for all these products make it imperative that every owner do his share. The philosophy of "let Joe do it" will not suffice. (3) You may be thinking that all you are interested in is the production of game on your property, but good forest management will result in improved game habitat.

As a private owner of forest land, and there are many sources of management assistance available to you. The Cooperative Extension Service local offices have an abundance of informational booklets on forest management. The local County Agent can start you on your management program. The

## Crawford County Avalanche Thursday, February 17, 1966

Michigan Department of Conservation has a staff of foresters that are available to assist you in planning a program of action.

If you prefer to contact a private company, most of the pulpwood companies have foresters who can assist you.

Now that you are on your way to a good management program on your forest land, you may find out that the pocketbook is a little short of money. The Agricultural Stabilization and Conservation Service can provide cost sharing for tree planting, forest improvement, and some game projects.

There really is no excuse for a private forest owner not to begin a good management program on his forest land.

## Marie Rhoades To Preside at Session

Miss Marie Rhoades, President of the Michigan Court Reporters Association, and Official Court Reporter of the 34th Judicial Circuit of Michigan, comprised of the following counties, Gladwin, Arenac, Ogemaw, Roscommon, Crawford and Otsego, will preside at the mid-winter meeting of the Association on Saturday, February 12, 1966. The meeting will be held at Kingsley Inn near Birmingham, Mich.

Principal speaker at the luncheon will be The Honorable Robert E. Waldron of Grosse Pointe, a member of the House of Representatives of the Michigan Legislature.

## New Scout Commissioner

Donald R. Peterson

Donald R. Peterson, Midland, recently elected Scout Commissioner for the Paul Bunyan Council, becomes the Number One volunteer representing the unit leaders of the Council. He, with Council President Albert T. Maasberg, representing Administration, and Scout Executive Arthur E. Henry, are known as the Key-Three of the Council.

Mr. Peterson graduated from High School at Manitowish, Wisconsin, received his B. A. degree at Lawrence College in Appleton, and a Ph.D. at California Institute of Technology. He is employed as a Group Leader in Research with the Dow Chemical Co. He is a member of the American Crystallographic Association and the American Chemical Society.

## Would Bar Vessels Aiding N. Viet Nam

Congressman Elford A. Cederberg of the 10th District of Michigan, has joined several other Members of Congress in introducing legislation that would prohibit the use of American ports by vessels of any foreign shipping interest which allows its ships to engage in trade with North Viet Nam. Cederberg pointed out that in 1965 more free world ships carried on trade with North Viet Nam than Communist ships. He declared, "This trade cannot but be a significant factor in the ability of North Viet Nam to continue its warfare against South Viet Nam. It appears that the appeals of the American Government to other nations to stop this trade has met with only limited success and the time has now come for more drastic actions."

## Chamber of Commerce Minutes

Regular Meeting, Grayling Regional Chamber of Commerce, February 10, 1966 - Penguin Inn.

Members Present: Bill Kraus, John Latuszek, Sandy Thompson, Sal Truettner, and Don Welsch. Members Absent: Billie Forbes, Chuck Kroll, Ed Rutkowski, and Bill Tufts.

Guest: Marilyn Longworth. Also Present: Earl "Chum" Longworth.

Meeting called to order at 12:15 p. m. by President Sal Truettner. There was no treasurer's report. A list of bills was read by Marge Roper. Motion by John Latuszek, seconded by Bill Kraus that these bills be ordered paid. All Ayes.

The application of Stephan's Canoe Livery for membership in the Grayling Regional Chamber of Commerce was brought to the attention of the board. The new owner is Mr. Kenneth Carlisle of Saginaw who will be moving to Grayling with his family in the near future. Motion by Don Welsch, seconded by Bill Kraus that this membership be accepted. All Ayes.

Mail - A letter from Jon DeWitt was read by Chum Longworth regarding the 1-75 interchange. He requested that the Chamber contact our Senator or Representative regarding this matter.

Mr. Longworth read a request to sponsor a Crawford County Lady for Michigan Mother of the Year Award. The board felt the Chamber could be the sponsor.

The board was shown a tear sheet from the Lansing State Journal featuring activities at the Grayling Sports Park and covered by Wayne Clark. Groups in attendance were the Lansing Boy and Girl Scouts and Everett's senior Co-ed Hi-Y Club.

The board was informed of a meeting set up for Sunday morning with Will Henderson of the Sports Car Club.

Because of the thaw, Winter Carnival activities at the Grayling Sports Park have been cancelled, however, Earl Longworth informed the board that in the 41 years of its existence the Winter Carnival has never been completely cancelled. The show will go on, and the Pageant will be held as scheduled.

Plans for a first annual Presidents Day dinner were discussed and a tentative date for the first part of April was set.

Considerable discussion was had relative to the Chamber spearheading a drive for a cleanup of all Crawford County waterways. It was the unanimous opinion of the board that the use of the AuSable, Manistee River, and all tributaries are a primary tourist and vacation attraction, and it is our duty as citizens of Crawford County to keep these waterways free of pollution and litter. The board directed the manager to write to all in-

terested parties and invite them to attend a general meeting on the subject Tuesday, March 15, 1966. President Truettner asked if the Chamber wished to make a Michigan Week-Citizen Award. After some discussion Marilyn Longworth agreed to chairman this committee.

The board went on record as not favoring the tentative promotion of an area bicycle race as a part of the Michigan Week activities. It was thought that any money expended on this promotion could certainly be spent more wisely.

Motion by John Latuszek, seconded by Bill Kraus that this meeting be adjourned at 1:30 p. m. Next meeting to be held February 24, 1966.

Marge Roper, Secretary

## 66 NORCAP '69

Central Michigan University will act as the program planning-coordinating agent for the 33 county region designated. The University's function will be vested in Public Services at Central Michigan University.

The program planning-coordinating staff will be provided through a program planning grant made to the University through the terms of the Act. The University will have the responsibility for employing staff and administering the program planning and coordination carried on in the 33 counties.

The University will work directly with the official regional organization "NORCAP" (Northern Michigan Community Action Program) at all levels and will carry out the program planning - coordinating functions in accordance with the policies and procedures which may be established by the NORCAP Committee of 33. The University will work closely with the State Director and the State Office of Economic Opportunity and will keep them informed of all program planning coordinating activities.

Counties will be clustered into eight clusters with similar characteristics. This cluster plan is developed to expedite fact finding, program planning, coordination, and communications.

The Committee shall be composed of Key citizens, representatives from minority groups, local and state agency representatives, local government representatives, schools, and others.

Each county will be represented on a designated County Cluster Committee. The County Cluster Chairman and two additional members elected from the county committee will serve on the Cluster Committee.

The Cluster Committee shall: advise county committees, review fact finding data, identify common problems and poverty pockets on a county or cluster-wide basis, advise as to logical and desirable programs, screen proposals before they go to NORCAP, communicate with and present facts to NORCAP which may have implications for broader base regional program planning and review, evaluate and recommend regarding cluster proposals when they are referred to NORCAP.

A Technical-Advisory Committee made up of field representatives of state agencies and representatives from local government and service agencies will provide advice and help to the County and County Cluster Committees as they proceed with their fact finding and program planning. The identity of the persons and agencies making up these Technical-Advisory Committees will be catalogued and made available to County and Cluster Committees by the Program Planning-Coordinating Agent (Central Michigan University).

There shall be a 33 County NORCAP Committee made up of the Chairman from each County Cluster Committee. The Executive Committee shall consist of one member elected from each County Cluster, plus the elected NORCAP officers, President, Vice-President, Secretary and Treasurer. The Executive Committee shall meet each month and shall have power to act. Special meetings shall be held on call of the President of NORCAP.

## Woman's Club

Womans Club met Monday evening Feb. 7th at their Ingham St. Club House.

Trooper Helms and his dog Chip of the Houghton Lake State Police Post presented the program. He showed slides and spoke on phases of dog police training. Dogs are donated for this use. German Shepherds, Labrador Retrievers and Doberman Pinschers being the breeds usually used. They are used effectively for tracking people who are lost and also violators (escaped prisoners).

Chip, who is seven years old, was brought in. Commands were given by Trp. Helms which Chip obeyed. Such dogs are one man dogs. If a trooper is retired or for some other reason ceases to be a trooper, his dog is also retired.

Guests for the evening were Mrs. Thelma Bebow, Mrs. Edna Powers, Mrs. Carol Miller, Mrs. Barbara Larson and Mrs. Beulah Stephan.

Lunch hostesses were Mrs. Joe Searles and Mrs. Marvin Miller who carried out the program and Valentine theme by using a centerpiece of a large, stuffed, red and white dog with ribbon streamers saying "I Love You". Red tapers completed the arrangement.

## Freedom Is Challenge . . .

We live, as every follower of the news media has been told on innumerable occasions, in an affluent society—perhaps the most materially affluent in history. About everything has been going up and up, seemingly without pause or end—family income, investment and savings, the gross national product, the enormous sums devoted to industry expansion and betterment of facilities, consumer spending and so on. This, economists inform us, has been a prosperity unparalleled both in its extent and in the length of time it has continued without a recession.

The nation has cause to take pride in all this. But could be morally and practically wrong to look only at the myriad dollar signs and thoughtlessly conclude that all is right, and there is little for the majority of Americans to worry about.

In a far away nation that comparatively few of us could spot accurately on the map, we are engaged in one of the cruelest wars in our experience. It is a war which has grown beyond all expectations and, unless a sign is wrong, is destined to grow to a much more extensive still. Soldiers of the United States are dying in tragically increasing numbers in that war. It is placing heavy demands on our wealth and our material resources and far larger demands are yet to come. How can we realize that there is still a challenge to freedom?

an affluence of weapons—in Viet Nam?

And how many of us realize that, here at home, the odds are heavy that we shall have to abandon many of our ambitious government programs if we are to maintain this nation as a bastion and arsenal of freedom in a world where tyrannies are on the march.

The warning signs are up. The prospect of more tax reduction, held out a short time ago, has all but vanished. Informed talk now is of possible tax increases. The welfare state plans, whatever, one may think of their desirability, will, it seems certain, be cut back. At the highest levels of government, new and urgent fears of more inflation have recently found a place—and there is more and more realization of the fact that protection of the dollar is absolutely essential to this nation's strength and even survival.

It is easy, in a time of general prosperity, for a people to avoid problems—to look away from clouds on the horizon. It is also fatal, as history has proven over and over again. The strength of the United States cannot be measured merely in material gains. These, in the long run, are the least of the story. That strength must be measured in moral and spiritual values that place freedom above all things, and a determination to protect our freedom whatever the costs. The mass man is destined for a well-deserved obscurity. Respect for the individual, a knowledge that no two of us are precisely alike, a profound belief in the worth and dignity of each of us—these were the principles on which this nation was built. They must be sustained if this nation is to endure.

Let us enjoy our material advantages. But, above all, let us put them in perspective—and never forget that a life of freedom means infinitely more.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVANCE OF 23 YEARS AGO

February 18, 1943

Grayling City Council was unanimous in voting to carry on under the official time of Michigan—Eastern Standard Time—or Central War Time. For the past two years Michigan has been operating under Western War Time. That was one hour earlier than the time in the states of Indiana, Illinois and all other states in the same longitudinal area. The Michigan Legislature, now in session, voted to turn clocks back one hour—eastern standard time, starting February 15th. Since that time there seems to have been a great furor of protest in some sections, especially in industrial areas in and near Detroit against the proposal. Detroit newspapers were loud in their protests. The rural areas and especially the western part of Michigan were strong in their advocacy for changing the time. In fact, Grand Rapids had already proclaimed the adoption of Eastern Standard Time and avowed that regardless of the wishes of the legislature that time would be officially adopted. Many ask why the change wasn't made before the winter was nearly over. That is easily explained when it is realized that the change could only be enacted by the legislature of the state. And now that Michigan is officially on Eastern Standard Time that time will stand indefinitely for many years to come unless another legislature will see fit to make another change, which isn't at all likely.

Clarence Ingalls Jr. and family of Flint visited at the home of Mrs. Margaret Ingalls Monday. Wednesday, February 10th, local fans were afforded an interesting affair at the High School gymnasium when the Alumni and G. H. S. Green Wave tangled in a basketball game for the benefit of the local Red Cross unit. The High School were victorious after a hard struggle by the score of 31-27. The Red Cross representatives have expressed pleasure with the response of the public to this activity and another will be staged on February 24th, with the Red Cross again receiving the proceeds. The Alumni are determined to reverse the results in the next encounter and this wouldn't be entirely out of order.

Merry Music, delightful decorations and a grand crowd of dancers all combined to make the 1943 version of the Senior Prom last Saturday evening truly one to be long remembered. With huge red hearts nestled cozily amidst flowing red and white streamers, the "sweetheart" theme vied with patriotism for top decorative honors. The dance programs also carried out the Valentine mood. A large American flag coupled with a picture of George Washington provided the background for the "Stardusters" band. The beautiful formal gowns of the many feminine guests and the corsages of all the seniors added color to this mid-winter party.

The following ladies of Frederic have recently completed their course in home nursing and received their certificates: Mrs. Josephine Owen, Mrs. Ethel Hummel, Mrs. Letha Leng, Mrs. Maude Short, Mrs. Edith Payne, Mrs. Wesley Kumpula, Mrs. Beatrice

Tobin, Mrs. Norma Madill, Mrs. William Vollmer.

In the "Woman of the Week" column in the brown section of the Detroit Free Press Sunday, Feb. 7, we find the article written by Helen Bower about Mrs. Warren B. Cooksey, of Detroit, who with her family has spent several summers at Sunrise Club on the AuSable River which they purchased a few years ago. Mrs. Cooksey as a b. l. j. which means in mission circles "born in Japan" has a personal reason for all the war work and girl-scout work she has undertaken. She wants us to win the war and get on with the task of creating peace and understanding between the United States and Japan. Mrs. Cooksey's father was educated at Hope College in Holland, Mich., and went on to spend 40 years in educational work in the Dutch Reformed Church in Japan. Her mother was one of the first exchange teachers to go from Wellesly to Pekin. Dr. and Mrs. Cooksey have a son and two young daughters who have made friends in Grayling. Mrs. Cooksey's sister, Miss Olive Peeke taught in the public schools here a few years ago.

Homer King was home for the weekend visiting his family. He is now working at the Buick plant in Flint.

Mr. and Mrs. Donald Akers are the proud parents of a daughter, born on Lincoln's birthday, February 12, at Mercy Hospital. The little girl will be called Marie Alvina.

Every OCD office in the northern two-thirds of Michigan and all field offices of the state conservation department and the federal forest service will be open this week for enrollment of civilian volunteers to fight forest fires this season. Enrollment is being pushed to completion early so there will be adequate time for training in forest fire fighting methods and use of fire-fighting tools before the first hazard period of the season, between the time the snow goes and vegetation becomes green. Members of the FFFS will wear distinctive arm bands and badges and will be eligible for supplementary gasoline rations for both duty and training.

Mr. and Mrs. George Griffith of Fort Wayne, Ind., are spending the week at their cottage on the AuSable. They report a foot of snow in Indiana and heap much slippery highways. They were amazed at reports of 40 below zero temperatures in Grayling. We don't like it either, but it's better than slippery highways, we think.

Miss Huldora Gudmundson of Mt. Pleasant spent the weekend visiting her aunt and uncle Mr. and Mrs. Russell Robertson.

Misses Fay Christenson and Eleanor Bugby were home over the weekend. They had as their guests a number of college students.

Misses Florence Collins and Doris Krage are spending several days in Jackson visiting Miss Collins' cousin who is on furlough from the army in Casablanca, Africa.

Mr. and Mrs. Earl Mathewson and Mrs. Richard Babbitt are spending a few days in Ann Arbor. Mrs. Paul Feldhauser accompanied them as far as Flint where she will visit her daughter and family, Mrs. Don Leslie.

Mr. and Mrs. Edward Mayotte of Detroit were in Grayling Sunday and Monday, guests of Miss Agnes Hanson, en route to Munising to spend the remainder of the week with the former's parents.

Stuart Jones of Muskegon, son-in-law of the James McNevens, spent the weekend here, coming to accompany Mrs. Jones home

who has been visiting here. Mrs. Patrick McKay left for Saginaw Tuesday on a possible two weeks stay, to be with her sister Mrs. Waldemar Hanson. Bradley, little son of the Hansons, is ill in an Ann Arbor Hospital.

Tiny Russell has accepted a position in the Bay Manufacturing Co., which is a defense plant in Bay City. Floyd Davis is in the same department. Both were home over the weekend.

The Jolly Bunco Club was entertained at the home of their president Mrs. Wilbur Winslow. High score was held by Katrina Bentley and low by their treasurer Mrs. Albert Bentley. Katrina also received the penny prize. Potluck lunch was served later in the evening.

Six girls were present at the birthday party of Norma Parkinson who was celebrating her 15th birthday. Games were played during the evening and a very nice lunch closed the affair. Several nice gifts were received by Miss Norma. Mrs. Reese Cox presided at the lunch table.

46 YEARS AGO

George N. Olson, candidate for village president, Hans Peterson was a close second for the nomination.

William J. Miller and Mrs. M. Otterbein, victims of pneumonia, passed away Friday.

General conditions of epidemic in county much improved.

Margaret Beulah, infant daughter of Mr. and Mrs. Clifford Chapelle, died of pneumonia Feb. 1.

Mrs. Edward Behlke and little daughter Helen Jane left for Detroit Tuesday.

Phillip Quigley left Wednesday for Flint where he expects to find work.

Miss Arvelly Tetu is assisting at the Avalanche Office as new reporter this week on account of the absence of Miss Nola Sheehy.

Adolph Herman was struck by a small piece of steel in one eye Tuesday while at work on the big mill.

A postal from Roy O. Woodruff former congressman from this district, was received last week postmarked London, England.

Miss Donna Lockoff left Tuesday for Cheboygan to spend a few days

while the schools are closed. Mrs. Chas. Tromble left Tuesday for Detroit and Royal Oak to visit her daughters Mrs. Guy Bradley and Mrs. Weldon Warren. The American Legion basketball team were to have played Traverse City Monday night in that city but when they arrived at the Manistee depot they were informed that there were no trains running to Traverse City from Walton Junction, therefore they returned home.

Are you paying more than  
11½¢ a gallon for your residential  
heating oil?

If you are, you're paying too much  
to heat your home.

If you are now using natural Gas (or plan to) for cooking, water heating, clothes drying or Gaslights, and your use is equal to that of our average residential customer, you can get your Gas for heating under our special service rate at a cost equivalent to fuel oil priced at just 11½¢ a gallon. And the nice thing about our Gas rates is that

the more you use, the less it costs per unit. That's a bargain in anybody's book. (Can't pay for the cost of conversion right now? Here's good news: Whether you convert your present furnace, or even install a new Gas furnace, Michigan Consolidated will pay for it and its installation by a qualified heating contractor. And it won't

cost you a penny until July 1, 1966!) So why not make your present oil furnace more economical this winter? Have it converted to economical natural Gas. Then you can start putting your money in the bank for a change. Instead of in your furnace. For full details, call us or your heating contractor today.

## Bits O' Talk

Weekend guests of Mr. and Mrs. Howard Cogan were Mr. and Mrs. Jack Patterson and Mrs. Cora MacFayden of Bay City.

Mrs. Robert Sorenson returned home February 7th from a trip to California which she began January 25 with Mrs. Carl Sorenson. Mrs. Bob visited her daughter Judy at Burbank, and Mrs. Carl visited her sister, Mr. and Mrs. Irvin Hodge at Long Beach. They all attended a golden wedding anniversary celebration for the Hodges on February 6th at Long Beach. Another sister, Mrs. A. E. Engler of Houston, Texas, was present, as were also Mrs. Augusta Walt and Mrs. Hattie Cohn of Detroit. Mrs. Carl Sorenson accompanied Mrs. Engler back to Houston to spend some time and to join her son William, wife Joyce and their daughter Irene at the Engler home, and in a trip into Mexico. Clara made a tour of Hollywood during her stay, and on the bus sat next to Bill Ross and wife, former engineer in Grayling, who sent greetings to old friends, particularly Lou Martin, Earl Broadbent and George Quinn. Clara was also invited to the Los Angeles Biltmore by Jim Madill, to see the display of the AuSable Souvenir Works at the International Gift Show being held there then. Truly, it's a small world.

Mrs. Marion Burch is planning a visit with her son Kenneth and family in Ypsilanti.

Mr. and Mrs. William LaGrow took their son Joe to Detroit Friday and he continued on to Fort Dix, N. J., after a furlough at home. The senior LaGrows remained for several days in Detroit to visit friends and relatives. Gerald E. Galloway and William A. Brooks have received Certificates of Equivalency diplomas from Grayling High School having passed the United States Armed Forces Institute General Educational Development Test.

## COUNTY POPULATION GETTING YOUNGER

**NEW YORK**—Residents of Crawford County are growing younger all the time. Not individually — only collectively.

The median age of the local population is now estimated at 29.1 years, as against 30.6 in 1960. It means that there are as many persons below that age as there are above it.

The local median represents an adjustment of the 1960 median, in line with changes that have taken place since that time throughout the country as a whole.

These are indicated in new, national figures released by the U. S. Census Bureau. They show that there has been a drop of no less than 1 1/2 years in the age level of the American population in the period from July, 1960, to July, 1965.

The chief factor in this change has been the huge increase in the number of people between the ages of 14 and 24. This group has zoomed upward by 25.7 per cent in the five years, which is more than three times as fast as the rest of the population.

The report shows that all age groups equalled or exceeded their 1960 totals except those in the 30 to 39 bracket. They dropped nearly 2 per cent, numerically, in the five years.

On the other hand, there was a substantial increase, 9 per cent, in the number over 65.

In Crawford County, this age group now constitutes approximately 12.0 per cent of the total population.

How young is a person at age 29.1, which is the median age locally, in terms of some of the historical events of the last few decades?

What would he know of the great depression, which occurred 37 years ago, in 1929? Or of the first showing of a talking movie (The Jazz Singer), some 39 years ago? How many were alive 24 years ago when the first nuclear chain reaction took place, signalling the birth of the atomic age?

To a large part of the population, these were things that happened before their time. They know about them through their school studies and through their general reading.

Because of the growing proportion of young people, many adjustments will have to be made to

## SEEK AREA ROAD, STREET IMPROVEMENT

Concerned about the inadequacy of area roads and streets in meeting rapidly growing traffic demands, a group of Crawford county residents has organized to study possible ways of coping with roadway problems.

Although no formal organization has been set up, early discussions have indicated a considerable amount of interest in seeking solutions for the county's roadway problems, according to Bruce Carlson of Grayling, spokesman for the group.

County and municipal officials have expressed concern over the ability of area roads and streets to handle the mounting traffic loads the roadways are expected to bear, Carlson said.

"It is our intention to investigate possible remedies for our problems of inadequate roads and streets. Then we will try to develop support for whatever programs are needed to provide safe and sufficient roadways for the people of this county," Carlson commented.

He said that the group will welcome the support of persons interested in obtaining roads for the county and asked them to contact him at 320 State, Grayling.

## Grayling Regional Chamber of Commerce

Memo: To the People of Crawford County.

From: Sal Truettner, President

Subject: "Miss America" Pageant.

We think we do a lot of things in the Chamber office but there is one thing we do not do and that is arrange for perfect winter sports weather for Carnival weekend. I do not know whether we rubbed Mr. Weatherman's fur the wrong way or not but he did not cooperate with us. Events were cancelled at the parks but the "Miss America" pageant went on just the same.

After all the wonderful things we have heard about it, we know that you people who did not see it are the losers. This is the first time this pageant has been staged. It was all done by rules and regulations required by the Miss America pageant held in Atlantic City each year. In fact we had everything just like them with the exception of the board walk and the rolling surf. Marilyn Longworth did a beautiful job as chairman. This job fell into her lap within the last three weeks due to the fact the original chairman, Mrs. Don Koch moved from the city. It's nice to have people in the community that can take over jobs like these in a hurry. In fact Marilyn is a very versatile person.

Last year when we were moving from our old headquarters we thought what a pity to take our rickety, shabby old furniture over to such a nice office. When we met for our first meeting in the new building we were amazed at what greeted our eyes. Desks and chairs real sturdy, beautiful shade of green "New furniture" we asked. No, just Marilyn with a glue pot, can of green paint and a paint brush. Like I said, Marilyn is a very versatile person.

## LETTERS TO THE EDITOR

In response to the past two weeks "Letters to the Editor" concerning "Basketball," I disagree very much with what these Vikings have had to say. First of all these people, whether they are high school students, or parents, or just fans, seem to be taking the whole matter too much on the general level.

There are eight teams in the Northern Class "C" Conference and roughly one hundred ball players. Every one of these boys are, or should be physically fit to play 32 minutes of basketball. If they are not, then they should not even be out for the team. This person is way out in left field if he or she does not think that there is not a player in the conference who is

capable of playing a whole game and still with maximum efficiency. I know and have seen many play a complete game and they were just as effective as in the first quarter.

Basketball as well as other sports have grown tremendously in popularity. Everyone wants to see a winner and when we do not have one, people start complaining and blaming everyone connected with the sport. The one who bears the noise most loudly is the coach. There is not a coach anywhere who wants to see his team beaten and he is doing everything in his power to produce a winner. The reason he is using only six or seven players in a close game is because he feels these boys are the ones most capable of scoring and stopping the opponents in that particular game. A coach will learn this through daily observations in practice.

### WWI Vets and Auxiliary

Ausable Barracks of W. W. 1 Vets and Auxiliary met February 1st and following the regular pot-luck dinner each group held business meetings. The Ladies Auxiliary, with Mrs. Charles Tinker presiding, presented Mrs. Isaac Gendron a past president's pin. Mrs. Gendron was instrumental in helping to organize the auxiliary and had served as its president since its inception locally. Earl Wood, president, presided over the Vet's meeting. Afterwards pictures of two of Mr. Fred Bear's hunting trips were much enjoyed. Then there was a white elephant auction which helped add a nice sum to the Auxiliary's treasury. Mrs. Gendron is acting secretary for Mrs. E. V. Myers who is in Florida for the winter.

In high school basketball you will find mediocre, average and above average ball players. Naturally a coach will start from the top and work down in selecting his first six or seven ball players. The other five or so young men will probably sit the bench in close ball games or until they prove to the coach that they are capable of playing good basketball. The biggest factor that would influence the coach would be working as hard as possible in practice.

Someone said in a recent letter that when they do not play, the next week they work all the harder. This person is not fooling anyone. I played varsity basketball for two years and I saw and observed the results of the practices after the game. If these ball players had worked harder they would have soon found themselves up among the select six or seven ball players, because in my estimation the coaches have always been fair. If a player shows he deserves to start he will always get his chance in practice, the rest is up to the player.

Speaking of past experiences, I know how these players feel, because I sat the bench in my two years of varsity basketball. I do not blame this on the coach; while I was in high school I did though. But as I think back I was given many golden opportunities to become a starter. Now I feel he was right and very fair, because there were other players who worked harder and developed better coordination and jumping and shooting ability. I now have no one to blame but myself, the same holds true for the other bench warmers. Every other player has his opportunity and it's up to him to capitalize on this opportunity.

A coach can teach a boy all the fundamentals and techniques of playing the game, but as far as perfecting these skills, it is up to the individual player. I believe this is a major factor that many people overlook, they seem to expect the coach to dribble the ball and shoot it for him. I also feel that this is a major reason why some play while others ride the bench in many ball games.

There is not a coach anywhere who would not like to play all of his players in every game, but the great American public wants a "winner" just as much as the coach and his ball players want to be a winner. This is why in a close game a coach will go with the players he feels will produce a winner.

I do feel, however, that if a team is 15 or 20 points in the lead with five or six minutes to play that substituting would be very good to let the other players get some game experience. Even then, however, the outlook of the game can change very suddenly with some violations and other mistakes.

So I say to the players who are riding the bench, if you want to play basketball and play it well, you must perfect the fundamentals and work hard in every practice. This is not meant to criticize the players as I have found this out two years too late. All Americans are not born, they work hard to get to the top.

I would appreciate hearing comments on this letter, especially from the writers of the unsigned letters.

Steve Dawson

## JUNIOR SKI RACES GET UNDERWAY

The Grayling Junior Ski Program opened Thursday night, February 3rd, at the Grayling Winter Sports Park. Only the 8 to 9 year olds were able to complete their two runs on the course, with all others racing only once. Some changes have been made since then, with the 12 and 13 year olds the only age group that will continue racing on No. 3 Hill. All other racers will race on No. 1 Hill.

This Thursday it is hoped to start early now that the racers know more about how the races will be conducted. Skiers are asked to be at the Park by 7:30 to look over the race courses and be ready to start at 8 p. m. High School Ski team members will be on hand for racing instruction before the race.

In last week's racing for 8-9 year old girls, Gerry Lowrie was first, Paula Hunter second, Susan Burns third, Ruth Ann Wyman and Janice Trudgen fifth. Boys in the same age bracket were scored Jim Gardner first, Tim Mason second and Kevin Trudgen third.

For the 10-11 year old girls, Holly Knibbs was first, and all others disqualified or failed to finish. Of the boys, Mike Dosch was first, Pat Mason second, and Don Latusek third.

In the 12-13 year girls, Jane Buron was first, Pam Peterson second, Sandy Burns third. For the boys, Mike Mason was first, Dave Rutkowski second and Mike Latusek third.

### SWINGERS ENJOY LARGE ATTENDANCE

The AuSable Swingers had 62 couples at their Saturday, Feb. 5th dance. There were 21 couples from Zilwaukee, Mich., who earned their Knotthead Pins for which they must travel over 100 miles to dance, also 19 couples from Houghton Lake, and eight couples from Vanderbilt. It was really a swinging time for all. A lunch was enjoyed at the close of the evening. The next dance will be March 5th at the GHS gym, 8 p. m.

## Attend The Church Of Your Choice

## Watch That THUMB!

Peter loves to "fix things," even though he sometimes gets hurt in the process. Yesterday he pinched his finger with the pliers. Today, he'll probably end up by hanging his thumb with the hammer. But tomorrow he'll be right back at it again... learning the hard way!

From childhood, we learn best by personal experience. Our natural curiosity makes it difficult for us to accept advice from others. We want to find out for ourselves... and life has some hard lessons to teach us. Among other things, we have to discover that material possessions are no guarantee of happiness... and that money can't buy love, or health, or peace of mind.

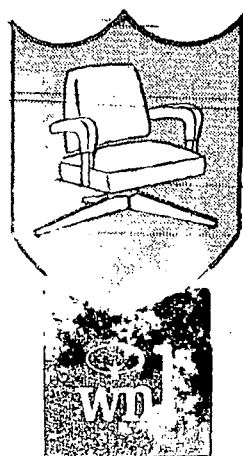

Religious faith is another aspect of life that must not be left unexplored. Christianity has been tested by time... and it stands ready to be tested by YOU. Don't miss the greatest experience of all. Visit the church of your choice this Sunday.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH.

The Church is the greatest force for good in the world. It is a place of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four good reasons why every person should attend church regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of the community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

### Tom Wright Graduates As U. S. Marine

San Diego, Calif. (FHTNC) — Marine Private Thomas E. Wright, son of Mr. and Mrs. Russell V. Wright of 5383 Woodside Drive, Grayling, graduated January 24th from Marine recruit training at the Marine Corps Recruit Depot, San Diego, Calif.

During his eight-weeks of intensified recruit training under veteran and noncommissioned officer drill instructors, he learned small-arms marksmanship, bayonet fighting, and methods of self-protection, as well as receiving instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

He has been assigned to Camp Pendleton, Calif. for individual combat and arms specialist training.

### Changes In Operating Personnel Announced By A & P Food Chain

Promotion of John H. Main, former operating superintendent for A & P Food Stores' Detroit Unit, to the post of assistant to director of operations for the Company's Central Western Division, was announced today by Division President Philip Nyquist.

Mr. Main replaces Lyle E. Smith, who has been made director of operations for the company's Atlantic Division with headquarters in Philadelphia.

Lewis Wotring, former assistant operating superintendent of the Detroit Unit, has been elevated to the post vacated by Main. Succeeding Wotring is W. A. George, former assistant operating superintendent for the Louisville Unit.

Main has gained experience in many phases of the firm's operation since joining A & P in 1935 in Huntington, Ind. After serving in various capacities, including manager of retail outlets in Indiana and Kentucky, he joined the operating department and was promoted to operating superintendent of the Louisville Unit. In 1956 he was transferred to the divisional office, and subsequently appointed operating superintendent for the Detroit Unit where he has served for the past six years.

Mr. Wotring started with A&P in 1944 in the transportation department in Toledo. He later served as assistant transportation superintendent, transportation superintendent and assistant operating superintendent prior to coming to Detroit last year as assistant operating superintendent.

Mr. George has been with the food chain since 1949, starting as a stock auditor in Indianapolis. He filled various posts including office department head prior to his promotion in 1956 to assistant operating superintendent of the Indianapolis Unit. In 1963, he was transferred to Louisville in a similar capacity where he served until his recent assignment.

### Sophomore Play Selected

"The People Versus Maxine Lowe"—a three-act play by Luella E. McMahon, has been selected as the dramatic presentation of Grayling High School this spring. The present-day Broadway classic, a court trial drama, will be produced by the Sophomore Class, under the direction of Carl B. J. Minor, director of speech and drama at Grayling High School. A cast of thirty-three members has been selected and rehearsals are due to start within the next week.

Kathy Marshall has been chosen to portray the title role of Maxine Lowe, who is on trial for the murder of her husband. The second female lead, the part of Jessalyn Meredith, assistant to the State's Attorney, is played by Sandy Millikin. The leading male roles of State Attorney and Defense Attorney are played by Douglas Wilson and Larry Beery, respectively.

Fenn Welch plays the part of Judge John Weston. Other leading members and their roles are: Kathi Kelly as Eve Vijnone, a night-club entertainer; Bill Kraus, as Vincent Barclay, a hotel proprietor; Gail Hunter, as Minnie Strauss, a maid; Dorothy Latzek, as Sarah Lorrison, a surprise witness; Dave LaGuire, as Will Bond, the court clerk; Richard Meoak, as Dr. Milgrim, the medical examiner; Janice Lavrack, as Rose Malone, a girl from the South; and Diann Klempp, as Irene

Holt, a policeman.

Other members of the cast include the following: Louella Millikin, Linda Springs, Jackie Blaauw, Sandy Kelly, Dave Bailey, Dave Annis, Carla Jean Mosher, Mary Gardner, Vicki Scheer, Judy Canfield, Janet Hubbell, Steve LaGross, Phyllis Knuth, Dennis Palmer, Dave Jensen, Rick Reed, Kathy Woods, Sheila McWilliams, Nancy Anderson, and Rick Youngs.

The stage setting will be designed and constructed by the art students, under the direction of their instructor, Garrett Bufe. Make-up and costume committees will be directed by Mrs. Jean Compton of the Home Economics Department. Paul King will be the stage manager for the play. Student Assistant Director is Jean Wyman. Mrs. Faith Stripe is the Sophomore Class Advisor. Members of the production and business staffs will be announced at a later date.

### CEDERBERG BACKS NEW G. I. PROPOSAL

Congressman Elford A. Cederberg, of Michigan's 10th-Congressional district, this week advised relatives of servicemen that he expects to support the Vietnam "G. I. Bill" which was reported a few days ago by the House Committee on Veterans Affairs.

The Administration was criticized by Cederberg for attempting to restrict the benefits to combat veterans only. "Servicemen do not have the privilege of selecting the area to which they are sent," Cederberg said. "A young man called to duty and sent to Iceland, Alaska, the Dominican Republic or Europe has had his civilian pursuits—education, training and work—just as disrupted as the man sent into a combat zone. Neither has a choice of location. The Administration is splitting hairs and in doing so is downgrading thousands of servicemen. If the government has money to spread around the world on aid programs of questionable value it can well invest in the future of our men of the Armed Forces who have been taken from their homes to defend our country."

The new bill favorably reported by the House Committee includes educational benefits and guaranteed farm and home loans for eligible veterans, and would be administered by the Veterans Administration.

# Oil Heat VS. Gas

Revealing the hidden high costs of conversion and  
introducing a pay-later home modernization plan with oil.

You're not buying the "gas line,"  
are you?

Read between the lines when you're considering the gas company's promises. You may be putting up a bundle that you won't get a return on for 12 years.

Take out a pencil and figure it for yourself.

### The high initial investment

That "nominal amount" the gas company is asking you to pay for going to gas heat can really mount up. The average gas furnace comparable in size and quality to your present oil plant costs as high as \$800 installed. And don't forget the price for laying in the gas pipe to your home. At \$1.25 a running foot, 50 feet will amount to an extra \$62.50.

Then kick in the interest they'll charge you if you buy on the installment plan. Over 3 years, that's \$90 on a \$500 new furnace and installation.

### Look for the real cost of gas heat

Funny thing about gas bills. You pay several different rates each month. The first amounts of gas you use are at a high rate, the next amounts a little lower, and only after you've used up 2000 cu. ft. do you get to the third rate. So in order to keep the figure that they quote for home heating low, they "assume" you'll be using the high priced gas for things other than heating.

("If" they say, "you are now using gas for cooking, water heating, clothes drying, or gaslights. . .") Which means that to get a gas heating price equal to "11 1/2 cents a gallon for residential heating oil," you'd have to

invest in a gas range, gas clothes dryer, gas water heater, gaslights, etc. Looking at it that way, how long will it take to pay off the cost of going to gas heat?

And after 12 years, what do you have to show for your investment? A 12-year old furnace. Had you put your money in the bank, at 4% interest, it would have amounted to over \$270 in savings.

### New Oil Heating Modernization Plan by Standard Oil.

If your oil heating plant needs to be modernized, chances are it can be done for far less than the cost involved in converting. Very often all that's needed is a new burner which costs under \$100.

And now Standard Oil even makes that easy.

1. They will inspect your heating equipment, and suggest the least expensive modernization for the best efficiency.
2. No down-payment or payment until July 15, 1966.
3. Up to three years to pay.

And Standard has a line of AMOCO Sta-Warm heating equipment including burners, furnaces, boilers, hot water heaters, humidifiers (both portable and furnace attached). You're certain to be getting the best quality because it all has been tested in their research laboratory.

### Other Considerations

There are other good reasons for staying with oil—especially when you buy from your local Standard Oil agent.

For instance, he doesn't charge a stiff penalty when you miss paying your bill by a couple of days. And his prices are kept low by the competition of the many other fuel oil suppliers around—no one-supplier monopoly here!

He's on the lookout for your total heating comfort . . . providing personalized attention. His complete comfort plan includes price protection and budget payment insurance. Your heating bills are covered in case you're ill or suffer an accident that keeps you from working.

These benefits come with the modern, clean fuel—American Heating Oil. And it's safe—made to burn only when it is prepared for burning in the heating unit.

So before you make a decision, see your Standard Oil agent. He'll tell you the real facts about home heating—and work out the full penalty you pay for going to gas—with you in your own home.

You expect more from Standard and you get it!

ed full responsibility for the Pageant following the resignation of the co-chairman Mrs. Don Koch, welcomed those attending the program and introduced James Gibbons of WWTW, Cadillac, who assumed the roll of Master of Ceremonies which he handled in a very capable manner.

Organ music throughout the evening was provided by Mrs. Larry Ross.

The contestants were scored in accordance with rules and regulations of the Miss America Pageant by judges R. E. Olds Anderson, East Lansing, President of the East Michigan Tourist Association and Inn America, Inc.; Mrs. O. H. Cook, Saginaw, Supervisor of Personnel, Technical Placement, The Dow Chemical Co., Midland; Leonard Van Bogelen, Muskegon; Accounting Executive, General Telephone Co., President of Miss Michigan Corporation and Director of the Miss Michigan Pageant; Mrs. Norma M. Weber of Saginaw, Executive Secretary to the President of the Wickes Corporation and Mr. O. H. Cook, Saginaw, Time and Study Job Analysis Engineer of the Dow Chemical Co., Midland.

In addition to the scholarship awards received by the winner and runner-up, all contestants received white tote bags, compliments of the Bear Archery Company and bottles of perfume the gift of Marge's Beauty Salon. A Miss America Bracelet will be received by Miss Congeniality engraved with the date of the pageant and her title.

Among the conditions of the Miss Michigan Pageant is the rule that no contestant may compete in more than one preliminary franchised contest in any one year and must not previously have been a winner of the Miss Michigan or Miss America Pageant, with the exception that if she is a college or university student she may enter the college or university pageant in addition to her home pageant. In other words a girl who may be from a chartered area but who had not competed during the present year may be allowed to compete provided she has a waiver from her home chartered pageant.

The new Miss Michigan Winter Sports 1966 is eligible to seek the Miss Michigan title at Muskegon this summer under the Miss America Pageant franchise. She will be sponsored by the Queens' Committee of the Grayling Regional Chamber of Commerce.

## Master Plan

(Continued from Page One)

velopment, the most useful purpose that a comprehensive plan can serve is to establish guidelines for policy determination. Within these guidelines, officials have maximum opportunity of choice in making daily decisions, the results of which can be predicted with some degree of accuracy.

Whether or not this is accomplished by the publication of an attractively bound planning report is less important than the fact that such a framework exists for making policy decisions.

This is not to detract in any way from the desirability of having something written down that can serve as a benchmark amid changing conditions, turnover of public officials and for the information of citizens of the community. In any case the plan should include consideration of all phases of community development.

It has been brought out that the planning process includes a broad scope of activities. Because of this, little could be accomplished by attacking the subject as a whole. Rather, it is broken down into workable units—school needs, traffic problems, recreation and so on. This procedure makes it convenient to analyze each element thoroughly and then the individual phases can be brought together, studied and adjusted to produce an integrated plan.

It is convenient to illustrate basic planning principles and the way in which planning relates to community life in terms of individual elements as outlined here.

The first thing that the planning group must have is an accurate base map of the area to be planned. Then studies in depth must be made of the economic base of the area, the population, land use. Then questions such as: How many people will work here? How many people will live here? Where will people live and work? Future land use? Must be answered.

With all of these studies and questions answered a sketch plan of future use of land can be made. From this comes the master plan. (NEXT WEEK — Implementing the Plan).

## Plan Food Service

Conference at M. S. U.

A two and one-half day conference for restaurant operators and food service operators or hotels, resorts, motels and hotels will be held on campus of Michigan State University, E. Lansing, March 21-23. The program has been planned around current problems of this important and growing service industry.

Some of the sessions will be the new tax on tips, Michigan MESCC 1966 regulations, new foods on the market, how to study your operation to increase productivity, etc. Workshop sessions will be featured for operators of similar size. ## Roscommon Plans Sled Dog Championships

The Roscommon Chamber of Commerce, and the Roscommon Sled Dog Boosters are this year sponsoring the Great Lakes Sled Dog Championships. The events will take place February 19th at 1 p. m. and February 20th at 12:00 p. m.

The events will be held at the old airport on M-18 at the Village limits. Events will consist of an Open Division for seven or more dogs per sled over a 22 mile course, a Class A Division over a five mile course. A one dog weight pulling contest, and an amateur Snow Shoe Race for young and old.

Trophies and prizes will be awarded. According to Bert Swanson of Clarkston, Mich., President of the Great Lakes Sled Dog Association, many of the association members have confirmed their entries in the contest, as the Roscommon area supplies the sled dogs and their handlers one of the finest terrains for this type of sport in the state.

Further information for the sled dog owners, as well as spectators and camera fans may be obtained from Roscommon Chamber of Commerce—Secretary-Manager at 275-5030.
